Dear Mr. Shukla,

As the Chair of the International Program Committee for the 2015 Asian Crystallographic Association Conference (AsCA) I am writing to thank you for submitting your application to the Rising Star Award Competition. The Rising Star Selection Committee found the quality of the applications to be outstanding and the final decision for the successful candidates was very difficult. **On behalf of the International Program Committee (IPC) and the conference organizers we are pleased to inform you that your application for a Rising Star Award has been successful.**

As a successful applicant and winner of a Rising Star Award you will receive a certificate of award and your registration fees to the conference will be waived. Once you accept the award (by email to myself at alice.vrielink@uwa.edu.au and to Professor Pinak Chakrabarti, Chair of the Local Organizing Committee, at pinak.chak@gmail.com) you will be sent a waiver code which will allow you to complete your reservation without paying the fees (see conference website at <http://www.asca2015.org/>). In addition, if you have already applied for partial travel support to the conference your case will be considered ahead of other applicants. If you accept the award we ask that you send us a confirmation email by Friday October 2nd at the latest.

The Rising Star Session at the AsCA 2015 conference is scheduled for December 8 from 4 – 5:30 pm and will be chaired by Professor Jenny Martin. Your oral presentation will be scheduled in this session. The time allocated for each presentation is 15 minutes, which includes 3 minutes for questions. We encourage you to prepare your presentation with this timing in mind.

Once again we congratulate you on the success of this award and we look forward to your presentation.

Sincerely yours,

Alice Vrielink
